

WETD-FM Issues & Program List - October 10, 2017

As required quarterly by the Federal Communications Commission (FCC), this Issues and Program List will identify the programs aired over WETD 90.7 FM, State University of New York, Alfred, NY 14802 over the preceding quarter. In order to fulfill part 73.3527 of Title 47 Code of Federal Regulations (CFR) regarding non-commercial, educational radio stations, WETD 90.7 FM is required by the Federal Communication Commission (FCC) to submit a Quarterly List reflecting the "licensee's most significant programming treatment of community issues". The Issues – Program List must be filed in the Public Inspection File each quarter (On January 10, April 10, July 10, and October 10).

WETD 90.7 FM is owned by The State University of New York (SUNY). Alfred State College's (ASC) President, Dr. Irby (Skip) Sullivan, and the ASC President's Counsel currently oversee the daily operations of the radio station. WETD is funded and operated as an ASC Student Senate-funded club.

WETD continues to determine conclusively what current issues are affecting our community, and provide serious treatment for our listeners within the FCC defined guidelines for Issues and Programming Lists. The WETD Board of Directors (BOD) utilizes community-wide surveys to stay in tune with our audience. WETD leadership looks at each identified area from these continuing surveys to provide need-specific and timely programming for our listeners.

The Issues & Programming list includes **51%, A Way with Words, Legislative Gazette, The Best of Our Knowledge, and The Steve Pomeranz Show.**

51% includes illuminating features and interviews focusing on issues of particular concern to women. Host Susan Barnett talks to experts in their field for a wide-ranging, entertaining discussion of traditional 'women's issues' and other global topics. The program is produced by WAMC/Northeast Public Radio's National Productions, 318 Central Avenue, Albany NY 12206 in cooperation with Russell Sage College, Troy, NY.

A Way with Words is a lively public radio show about language, on the air since 1998. Author Martha Barnette and dictionary editor Grant Barrett take calls about slang, grammar, old sayings, word origins, regional dialects, family expressions, and speaking and writing well. It is produced by WayWords, Inc, P.O. Box 632721 San Diego, CA 92163, a CA Non-profit organization. For more info visit www.waywordradio.org.

Legislative Gazette is an in-depth look at New York State politics and government. Hosted by David Guistina, the program features regular commentary by syndicated columnist and political scientist Dr. Alan Chartock. On each program, the award-winning WAMC News Team (Albany) combines forces to bring you a wrap-up of the political news, the goings on in and around the NYS legislature, and the stories that will keep you well informed and in the know. For information visit www.wamc.org/programs/legislative-gazette-wamc.

The Best of Our Knowledge highlights breakthroughs across disciplines and across the globe, putting listeners in touch with those at the forefront of their fields. Every day, faculty members at schools and universities throughout the world are making discoveries that shape our ways of thinking and redefine our understanding of today's knowledge-driven society. Since 1990, The Best of Our Knowledge has highlighted breakthroughs across disciplines and across the globe, putting you in touch with the men and women at the forefront of their fields. The Best of Our Knowledge is produced by WAMC/Northeast Public Radio's National Productions in Albany, N.Y. Production support for The Best of Our Knowledge comes from Queen's University in Kingston, Ontario, Canada.

The Steve Pomeranz Show (formerly On the Money) is a financial radio show currently airing on over 40 NPR affiliates and public radio stations across the country, featuring nationally-acclaimed financial expert and host, Steve Pomeranz. The show educates and protects listeners with money advice covering the entire financial spectrum- from money rebates and rip-offs, to smart shopping, wise investing and retirement financial issues. Contact us at web@stevepomeranz.com

Please find attached the program times aired with each program's detailed description, as well as the WETD Community Survey identifying the most significant issues facing our listeners. This ongoing effort allows WETD staff to locate and broadcast the best possible programming to meet listener-identified needs.

Sincerely,

Russ Nunley

2017 WETD Community Survey

In order to identify the most significant issues facing our community, WETD conducts community surveys with multiple choice answers and fill-in-the-blank opportunities for responding 'other.' Based on these results, WETD is committed to providing the best programming to address important topics.

The following is the Significant Topics Chart based on responses to the WETD Community Survey completed at the Hot Dog Day Festival in April. Each year the Hot Dog Day Festival attracts a large audience of local residents and people from the region surrounding Alfred, NY. Survey respondents represent communities across Western New York, the Southern Tier, and the immediate local area.

WETD staff identified that respondents were most concerned about **education, environment, technology, personal relations, health/mental health, group relations, money-business, money-personal, community interests, and politics.**

In reviewing our current programming, WETD continues to be committed to providing content that meets these needs within our community of license and our surrounding communities.

The Best of Our Knowledge – devotes each show to an in-depth study of a topic by addressing issues through multiple perspectives from leading college educators and subject-matter authorities. Issues addressed include environment, science, technology, international issues, community activism, relationships, education, arts, culture, religion, money, politics, parenting, drugs, health, and mental health.

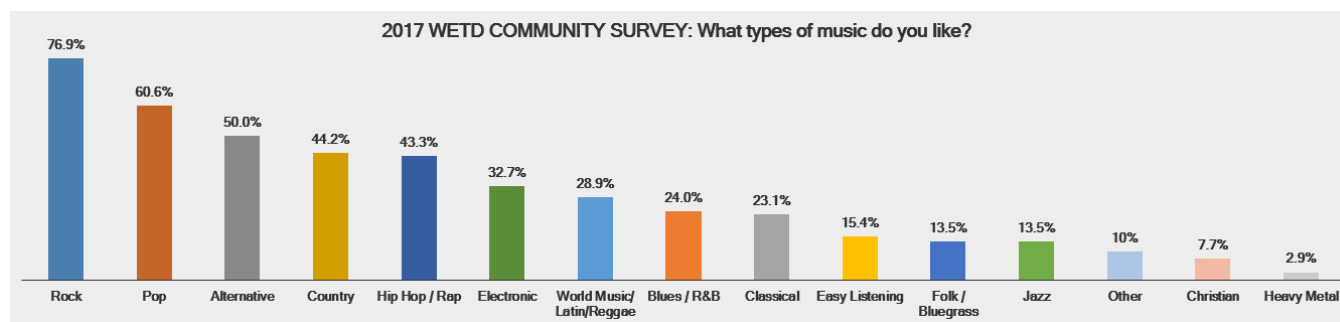

51% - recognizes that women make up more than half the population and ensures that listeners can hear female perspectives on important issues affecting women, men, adults, teens, and children.

A Way with Words – concentrates on language, the words we use to communicate, and literacy. It is for educators and all citizens with an interest in speaking and writing well.

Legislative Gazette – covers the politics, policies, and people of New York State government and the debates surrounding the most important issues facing the empire state.

The Steve Pomeranz Show – offers insight into current economic events, financial issues facing businesses, and advice for personal finances.

The WETD Community Survey also asks respondents what types of music they like. WETD programs a variety of musical genres and survey results help to guide decisions regarding programming choices and the acquisition of new music.

The most popular survey responses for music genres are **rock, pop, alternative, country, hip hop/rap, electronic, world music, and blues.**

The WETD Community Survey represents a wide variety of perspectives:

58% College Student
42% Not a College Student
53% WETD Listener
47% Not a WETD Listener

Listening to the radio was the most frequent answer for ways in which survey respondents enjoyed music during the past month:

79% AM/FM Radio
57% Purchased Music
54% Pandora
44% Spotify
41% Online Streaming of Radio
5% YouTube Music
4% Sirius XM
3% Amazon Music
3% Apple Music
3% SoundCloud

In a show of support for the radio station's value, **79% say they are more likely to spend money with a business that is supportive of WETD.**

7/16/2017	8:02:25	1398	<p>A lot of people have a lot of opinions about climate change. However, there is only one set of actual facts. Now, a new study shows that an important group of people are getting some of those facts wrong: science teachers.</p> <p>Today on the Best of Our Knowledge, we'll talk about that study.</p> <p>We'll also hear from two groups of students...one focused on their future careers...and one that is completing a trip to Ecuador.</p> <p>We'll also spend an academic minute helping kids think about stuff.</p>
7/23/2017	8:00:16	1399	<p>You've seen them, those students or colleagues who are always taking the bull by the horns and plowing through projects and assignments on their own. In academia, these are called self-directed learners. Now, a professor has used the concept of self-directed learning to analyze one of the greatest relationships in music history.</p> <p>Today on the Best of Our Knowledge, did self-directed learning break up the Beatles?</p>
7/30/2017	8:03:16	1400	<p>So what were you doing 14 hundred weeks ago? It was the spring of 1990, and a new program called The Best of Our Knowledge debuted on WAMC radio. Bob Barrett, the current producer and host of TBOOK has only been around for the last 300 of those weeks. He went back and listened to the first program he hosted back in 2011 and found that the topic is still interesting and relevant.</p>
8/6/2017	8:01:19	1401	<p>What do you want to be when you grow up? It's probably the most asked question in a young person's life. For many, answering it is a chore well into adulthood. But when they get to college, they are asked to instantly start down whatever path it is they think they want to take.</p> <p>Today on the Best of Our Knowledge, we'll hear why the arts and sciences</p>

			should still be a big part of a higher education.
