

Hi Mark,

I, too, listen to the Alfred Station - Love it - I mentioned it to Kathy about the really neat music that Alfred State has on their radio station. Since I can't stand 105.3 in Hornell, I generally listen to 88.7 (NPR) or 90.7 WETD. I love to listen to smooth jazz and classic rock, but some blues adds a nice mixture - especially driving to/from work. I like that there is a lot of talk - just music - Nice!
